Secretary Marco Rubio

@SecRubio

Last night, in a successful counter-terrorism operation with our allies in El Salvador, the United States military transferred a group of 17 violent criminals from the Tren de Aragua and MS-13 organizations, including murderers and rapists.

In order to keep the American people safe, @POTUS designated the Tren de Aragua and MS-13 as Foreign Terrorist Organizations. These criminals will no longer terrorize our communities and citizens.

Once again, we extend our gratitude to @nayibbukele and the government of El Salvador for their unparalleled partnership in making our countries safe against transnational crime and terrorism.
